Liberty Mutual is hosting a contest called Bring Back the 4th. Ten towns and cities will be rewarded with \$10,000 Bring Back the 4th grants. The winners are based on community participation.

Now through June 14 residents can fill out a brief quiz. Each completed quiz counts as one credit regardless of the score. Only one quiz is allowed per person. The communities with the most quiz participation are eligible for the grants.

The grants are specifically allocated towards Fourth of July events. If awarded, the City of Westfield could use the grant for community fireworks celebrations, celebrations in City parks, festive parades downtown, and ceremonies honoring veterans.
